THEME: Shades of Twenty-Twenty

From spring to autumn 2020, we have lived through a different sort of season, halting normality, forcing change, bringing a range of emotions.

How to Enter

We would like you to use your camera lens to capture and channel how you are feeling, to shed light and shade on what the year 2020 means to you. Be as creative as you want, but please also be safe.

What are the entry dates?

Entry opens on 11 November 2020 and the closing date 17.00 on 9 December 2020

How many images can I upload?

You can upload one digital image.

What will the panel of judges be looking for in the winning entries?

Each image will be assessed on the emotion and experience it conveys rather than its photographic quality or technical expertise.

What are the requirements for the image that I upload?

Each image must be saved as a JPG/JPEG and be smaller than 3 MB.

When will submissions be on view?

Submissions will be available to view as a 'virtual' exhibition on the School's website in Dec 2020. Following this 'virtual exhibition' we hope to display the images in school.
