### **Years 10-14 – Girls’ STEM**

Speakers for Schools NI has secured funding from the Department for the Economy to host a series of virtual STEM Career Insight Days for up to 1,000 **female students, aged 14-18** from post-primary schools across the province this term. They have developed their **‘21<sup>st</sup> Century Girls’** programme to inspire the next generation of female scientists, technologists, engineers and innovators! Working with a diverse range of employers from entrepreneurs, small businesses to large corporates, these insight days will provide female students with an opportunity to connect with employers and the world of work and open their minds to sectors and job roles that perhaps they may not have considered. Host employers include **PwC, Allstate, CAFRE, NIE Networks, NI Water, Graham** and **NI Screen** to name but a few. These insight days will be closing for applications mid-March, so please apply early to avoid missing out!

### **UCAS Exhibition – 10<sup>th</sup> March**

All Year 13 pupils will attend the annual UCAS Exhibition in the Eikon Centre, Lisburn, on 10<sup>th</sup> March. Permission letters and full details will be sent home today, 28<sup>th</sup> February.

The [UK University & Apprenticeship Search Virtual Fair](#) is on **Wednesday 30 March** with a wide range of exhibitors from around the UK. Students can get answers to all of their questions and participate in 10 live webinars on the day. This is a fantastic opportunity for students in years 12 and 13 to find out more about the options available to them and get answers to any questions they have. The event will also help any undecided year 14s looking to apply in UCAS Extra or Clearing, along with helping students narrow down their firm and insurance options.

**SCREEN ACADEMY ONLINE EVENT** - This online event is an opportunity to hear about the Screen Academy programmes and to hear directly from the industry professionals who deliver training. The making of Human Error brought together young people from across Northern Ireland attending the Production Design Academy, Film Set Construction Academy and VFX Academy.

**STEM NI** is delighted to be the Nuffield Coordinator for Northern Ireland. **Nuffield Research Placements** are funded by the Nuffield Foundation and delivered by STEM Learning. They are engaging, hands-on research projects, where Y13 students can make a real and meaningful contribution towards the work of a host organisation. They are a fantastic opportunity for students to apply skills and knowledge learned at school and work alongside researchers and industry professionals to:

Develop subject understanding alongside research and quantitative skills to expand career prospects

- Learn more about higher education and different career paths
- Enhance UCAS personal statements and applications to university
- Apply for a [Gold CREST Award](#)
