Technology and Design	

Every attempt will be made to offer you the subjects you have selected to study for GCSE.

If too few students opt for a subject it may not be timetabled and if a subject is over-subscribed, selection criteria will be applied.

Please select two subjects from the above table which would be your alternate choices should your initial choice options not be available.

Subject 1	Subject 2

- Developing physical and fine motor skills
- Investigating, realising, experimenting and problem-solving,

HISTORY

- The ability to organise and communicate an argument in a clear and concise manner
- Investigate, collate and assess evidence
- Research, analytical, problem-solving, and decision-making skills.
- Understand why and how events happen

Subject choices for GCSE 2022 - 2024

Please complete, sign, detach and return to reception on Cooper Crescent by Monday 7th March 2022

When making your choice of subjects at GCSE it is important that you follow the advice below.

Please tick the box to indicate that you have completed the tasks.

I have consulted with my Careers Teacher before making my choice of subjects.

I have considered the next stage of my career when making my subject choices.

I have talked with my subject teachers to gain information regarding my ability to study this subject at GCSE.

All pupils will be required to study **nine** GCSE subjects. Pupils selecting Further Mathematics will study ten GCSE subjects.

1. The following subjects are compulsory at GCSE:

English Language, Mathematics, Double Award Science, LLW or RE, Careers and PE (non-GCSE). Please indicate your choice between LLW or RE. Should you select LLW you will study RE as a non-exam subject and should you select RE, you will study LLW as a non-exam subject.

2. Optional Subjects:

a) It is recommended that you study at least one Foreign Language and you may select no more than two from French, German or Spanish.

b) Please tick here if you would like to study Further Mathematics.

c) Please choose **four** subjects from the options overleaf by numbering them in your order of preference i.e Geography 1, Music 2 etc.
