

## **Enniskillen Royal Grammar School – CEIAG BULLETIN**

Week Beginning Monday 2<sup>nd</sup> October 2023

### **Final Call - 'Women in Agriculture' Conference - CAFRE Greenmount Campus on 19<sup>th</sup> October**

The Conference will follow the theme of Farming Together for the Future. Through the conference they hope to illustrate the many vital internal and external partnerships that contribute to the success of a farm businesses.

**Please contact Mrs Kettle if you are interested in attending**

**Western Health & Social Care Trust will be hosting a series of online careers sessions** coming up during October and November, partnering with Speakers for Schools for this.

See all opportunities (link below).

### **PWC - 2024 Accountancy School Leaver programme and Ulster University Flying Start Business Management Degree Apprenticeship – Applications Open**

The [School leaver programme](#) is available in the Belfast office and all opportunities offer full time employment post A levels, a salary and a Professional Qualification in Accounting.

All roles are advertised [here](#). Assessment centres will take place from December.

PWC would advise all applicants to **apply and complete their assessments as soon as possible to avoid missing out on a space on the Assessment Centres** - they have limited spaces available for each role.

### **Ulster University Discovery Academy**

The Academy is an outreach platform open to all pupils from Year 8-14, it's free, self-paced and currently has 70+ courses on offer.

Each course is aligned with curriculum, personal development or showcases pathways into university disciplines. The essence of the Academy is to build curiosity and aspirations around future pathways for young people.

Last year UU welcomed 13,000 enrolments from NI schools. into the Academy. The academy allows pupils to explore subjects perhaps that they don't study, it can also be used as curriculum enrichment, a popular one is "Prepping for Uni" for Year 13/14 and 'Study Skills' for Year 10-14, so that the pupils can track their revision.

Pupils receive an Ulster University Certificate for each course completed, alongside the recognition of 'Ulster University Academy Scholar' and their Blazer Recognition Pins. UU advise the pupils to add this for their CV or UCAS application etc.

Please see attached pdf of the latest courses available on the online Discovery Academy at Ulster University.

## University of Glasgow Open Day - 21st October

This will be a great opportunity to see the campus, meet with academics, attend academic talks, meet with societies, speak to admissions, learn about student life and more.

For anyone interested here is a link to book on to the day and for more information about it: <https://www.gla.ac.uk/explore/visit/undergraduate/opendays/>

**MOVE, a charity run by Trinity College medical students** to raise funds for hospitals in developing nations are hosting their annual HPAT talk in aid of these hospitals, and would like to extend an invitation to any students who are considering sitting the HPAT.

The workshop will contain worked examples, tips, tricks and study advice from some of the highest achieving HPAT students in Ireland. It will be held in Trinity Biomedical Sciences Institute on Saturday the 18th of November at 11am. Each ticket costs €15 (which goes directly to the hospitals), and comes with a 10% discount off the Medentry online or platinum packages for all attendees. Tickets can be bought online on Tito with the link below and in their Instagram bio @tcdmove. Alternatively, tickets can be bought by scanning the QR code on the poster attached below.

The poster is for an HPAT Seminar. It features a dark blue background with a white stethoscope icon in the top left. The text 'HPAT SEMINAR' is prominently displayed in white on red rectangular backgrounds. A green starburst in the top right corner says 'Sponsored by Medentry'. Below the title, it states 'When: 18th of November 11 am!!' and 'Where: Trinity College Dublin'. The price is listed as 'Price: €15!'. A yellow starburst in the bottom left corner says 'Online and in Person!'. The bottom right corner features the 'MOVE' logo (Medical Overseas Voluntary Electives) and a QR code. A list of inclusions is provided below the poster.

**Includes:**

- refreshments
- exam and preparation advice
- sample questions with worked examples
- 10% off Medentry Platinum Package
