## **Christmas Hamper Appeal**

Last year's Christmas Hamper Appeal was a huge success. The whole school community helped to provide much needed food and other items to many families in our local community at Christmas. This year we would like to do the same again, helping many people in our local area. We are hoping that each form class in the school makes a Christmas hamper for the Enniskillen Foodbank, to be delivered to families in time for Christmas.

### **Your Kindness can make a huge difference – Your kindness can give a family a Christmas!**

Each Form captain/Deputy Form captain, with the help of their form teacher, will co-ordinate the allocation and collection of the items for their form's Christmas Hamper. To try to make the process easier and ensure a good range of items for the hampers, a list of items has been created.

#### **Instructions for form time:**

1. Allocate the 30 numbers on the Christmas hamper list. Each member of your form class who wants to get involved takes responsibility for getting 1 or 2 of the numbered lines on the list for the hamper. Record the names beside each item.
2. Remember to only include long term non perishables – Use by/Best before dates for 2024.
3. Pupils return their allocated items to their form class (or other agreed room) by **Monday 4<sup>th</sup> December**. Make sure their name is ticked off once they have brought their items in. We will be collecting these lists along with the hampers so please make sure that the list is accurate.
4. Bags for life will be supplied to each form class for collecting the items in.
5. With the help of your form teacher, Form Captains are to:
  - (a) Keep a record of the items which have been collected for the hamper
  - (b) Organise and tidy the hamper bag, ready for collection
6. Bags will be collected from the form rooms from **Tuesday 5<sup>th</sup> December**.

**THANK YOU FOR GETTING INVOLVED IN THIS VERY WORTHY CAUSE 😊**

**\*\*\* WHEN HAMPERS ARE READY, PLEASE DO NOT REMOVE THEM FROM THE FORM ROOMS. COLLECTION WILL BE ORGANISED \*\*\***
