Sentinus Research Academy 2024 – Applications Open

The poster for Sentinus Research Academy 2024 features the Sentinus logo at the top left, which includes a stylized 'S' icon and the text 'Sentinus Research Academy'. Below the logo, the text reads 'Sentinus Research Academy 2024' followed by a QR code. The main body of the poster contains the following text: 'The Sentinus Research Academy gives students in Years 13 & 14 the opportunity to experience real online research projects provided by local universities, companies and organisations.' This is followed by a bulleted list of benefits: 'opportunity to contribute to live research projects;', 'supports development of skills and subject knowledge;', 'significantly enhances UCAS application and personal statement;', 'helps develop communication skills and increased confidence;', and 'high quality experience of research in a wide range of subject areas.' Below the list, it states 'Applications are welcome from all students studying appropriate subjects at AS or A2 level or equivalent. Early application is advised as there are limited places in certain subjects.' At the bottom, it provides the website 'www.sentinus.co.uk/programmes/sentinus-research-academy/' and the address 'Sentinus, 13A Ballinderry Road, Lisburn, Co. Antrim, BT28 2JH'.

Northern Ireland Water – Apprenticeship Open Evening – 5th February 2024

NI Water are hosting an Open Evening on Monday 5th February 2024 to provide more information on their 2024 apprenticeship and higher-level apprenticeship opportunities. This year, they have a number of very exciting apprenticeship and higher-level apprenticeships across a number of business areas within Northern Ireland Water. The business areas they are recruiting for include Scientific Labs, Engineering, Customer and Intelligent Operations, and Commercial. This is a great opportunity to join an award-winning Apprenticeship Academy in one of Northern Ireland's top organisations.

Please see the flyer below to register your interest in attending.

Get an apprenticeship that matters

NI Water Apprenticeship Academy is recruiting once again

We've got awesome opportunities to offer this year and are looking for cool people to join us in the following areas:

Apprentices

- Water Utility Operations

Higher Level Apprentices

- ICT Telemetry
- Laboratory Scientific Analysis
- Construction Engineering Project Management
- Commercial Contract Analysis

Successful candidates will get world class training and hands on experience in areas of innovation that are making a real difference to Northern Ireland's future. You will also get your qualifications debt free and receive great pay from day one that only goes up – oh, and a guaranteed job at the end of it all. We'll even throw in subsidised driving lessons just to sweeten the deal.

Sound good to you? Be part of it and help build tomorrow's future today. Now that's worth a click surely!

Applications are open until 10am Friday 24th March. Want to know more? Come along to our graduate and apprentice virtual open evening on Tuesday 14th March – click here to register.
