Northern Ireland Water – Apprenticeship Open Evening – 5th February 2024

NI Water are hosting an Open Evening on Monday 5th February 2024 to provide more information on their 2024 apprenticeship and higher-level apprenticeship opportunities. This year, they have a number of very exciting apprenticeship and higher-level apprenticeships across a number of business areas within Northern Ireland Water. The business areas they are recruiting for include Scientific Labs, Engineering, Customer and Intelligent Operations, and Commercial. This is a great opportunity to join an award-winning Apprenticeship Academy in one of Northern Ireland's top organisations.

Please see the flyer below to register your interest in attending.

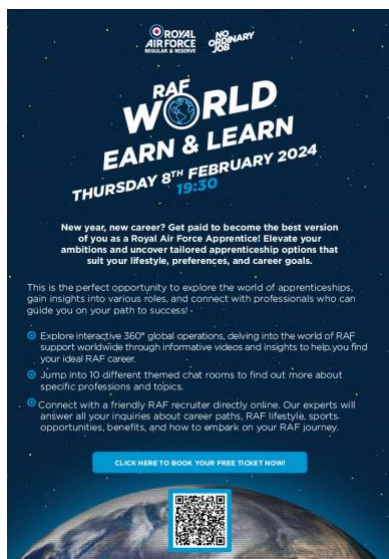

The flyer for the NI Water Apprenticeship Academy features a purple background with a photo of three people sitting on a bench. The text includes the headline 'Get an apprenticeship that matters', the academy's name, and a list of areas such as 'Water Utility Operations' and 'ICT Telemetry'. It also mentions that successful candidates will get world-class training and hands-on experience. A prominent 'APPLY NOW' button is visible at the bottom right of the flyer.

AIB Apprenticeships Open Night
