

One Giant Leap: Activate Your Curiosity

Hosted by Professor Brian Cox CBE, OBE, FRS

About this event

Are you a young person thinking about your future career path? There are so many opportunities available that it can be difficult to make a choice on your next big step. Join us at the 'One Giant Leap' event on Tuesday 23 January 2024 to hear from a range of speakers who will share the steps and pathways they've followed to arrive in their chosen career.

The event includes the following guest speakers:

1. Prof Mark Lawler, Queens University, Belfast
2. Ms Gillian Riddell, Queens University, Belfast
3. Fiona Byrne, Kilwaughter Minerals
4. Jonathan Kerr, B9 Energy Storage
5. Fiona Simpson, Head of Commercial NI, Amazon Web Services
6. Suzanne Leslie, Partner Sales Manager, Amazon Web Services
7. David Watson, Senior Advisor, Ryobi
8. Helen Reily, Facility Manager, Caterpillar, Larne

This **FREE** event is for young people in Year 12-14 and their parents. It is part of Mid and East Antrim's Science Summer School NI event which aims to encourage curiosity, inspire the next generation of local talent and future workforce and raise the importance of Science, Technology, Engineering, Art and Math (STEAM) activities with young people and their parents.

The event is delivered in partnership with Well North Enterprises and supported by sponsors: Kilwaughter Minerals, Ryobi, IPC Mouldings, Terumo, Caterpillar, Michelin Development Ltd, and Yelo.
