## **PWC Opportunities**

School and College leaver Accounting Technician programme is available in the Belfast office and offers full time employment post A' levels, a salary and a Professional Qualification in Accounting. You can apply for this role on their website.

<https://jobs.pwc.co.uk/school/uk/en/job/564613WD/School-Leaver-Accounting-Technician-Operate-Belfast-Autumn-2025>

PWC have just welcomed their fourth cohort on their Flying Start Business Management Degree Apprenticeship with Ulster University. For those undecided between university and starting their career, the four year Flying Start Business Management programme offers the best of both worlds - starting your career as an apprentice at PwC and also gaining a degree along the way with Ulster University - all without incurring university tuition fees and being paid a salary from day one. Students can apply to the 2025 Flying Start Business Management programme on the website.

<https://jobs.pwc.co.uk/school/uk/en/job/564594WD/School-Leaver-Flying-Start-Business-Management-Belfast-2025>

Other opportunities for school leavers include the Accounting Flying Start Programme at Newcastle, Nottingham, Reading, Manchester and Queen Mary University of London universities. This programme will put students on track to becoming an ICAEW Chartered Accountant, completing 80% of their ICAEW exams on the degree, and will be just over a year away from the full qualification once they graduate. Students will also gain a degree and a range of work experience with PwC over the four years. Students apply via UCAS for this programme and can apply for multiple Accounting Flying Start programmes, but each application to each University will count as one of your UCAS options.
