Medic Mentor FREE National NHS Virtual Work Experience Programme

This will offer a variety of medical specialties, with a focus this month on palliative care. This enables you to gain a well-rounded perspective of working within the NHS. Developed in collaboration with Birmingham Universities Hospitals Trust, this Virtual Work Experience has proven to be transformative for thousands of secondary school students over the past year. It also provides a strong foundation of knowledge for students who are preparing to undertake future in-person placements.

Medic Mentor have devised a 6-month medical e-learning work experience programme, focusing on one specialty each month, allowing students to set their own pace of learning. From structured teaching to direct interaction with doctors and healthcare professionals, the programme ensures students not only observe procedures but also gain a broader understanding of roles within the medical field.

Covering everything from confidentiality and ethics workshops delivered by the GMC to clinical procedures, this virtual work experience provides a crucial overview, thereby enhancing your UCAS applications.

Signing up is easy – students simply need to fill out the free online application form: <https://medicmentor.org/university-hospitals-birmingham-trust-virtual-work-experience/>

NI Water – Upcoming Work Experience Opportunities

NI Water are excited to announce the launch of their new Work Experience Programme, designed specifically for students aged 15-19. This initiative aims to give young people a deeper understanding of the world of water, while highlighting the diverse career opportunities available at their multi-award-winning organisation. They are doing things a bit different going forward and can no longer accept individual work experience opportunities but they believe their new programme provides an exciting deep dive into the many exciting opportunities available across NI Water. In partnership with ‘**Speakers for Schools**’, the UK’s leading social mobility charity, NIW have three fantastic work experience opportunities coming up –

- **Engineering** (scheduled to take place February 2025)
- **Finance** (scheduled to take place June 2025)
