

Enniskillen Royal Grammar School – CEIAG BULLETIN

Week Beginning Monday 20th October 2025

2026 MSAT Ulster Preparation Courses

Applicants to the School of Health Sciences in Ulster University are required to complete a computer-based Medical Selection Admissions Test (**MSAT Ulster**) for the following **six AHP courses**:

- Diagnostic Radiography and Imaging
- Occupational Therapy
- Physiotherapy
- Podiatry
- Radiotherapy and Oncology
- Speech and Language Therapy

Applicants at the University of Ulster for:

- Adult Nursing
- Mental Health Nursing

will also be required to sit the MSAT Ulster, with offers made based on performance in the test.

Our comprehensive 1-day classroom course equips students with the skills and strategies needed to excel.

Delivered by expert tutors, this course covers:

- ✓ Critical and Quantitative Reasoning Skills
- ✓ Interpersonal Understanding
- ✓ Time Management Techniques
- ✓ Realistic Sample Question Practice

A Proven Track Record: We have over 35 years of experience in preparing students for admissions tests. Our courses are designed to deliver results.

Upcoming Courses Locations: 📍 **Belfast & Derry** *Spaces limited – early booking is advised.*

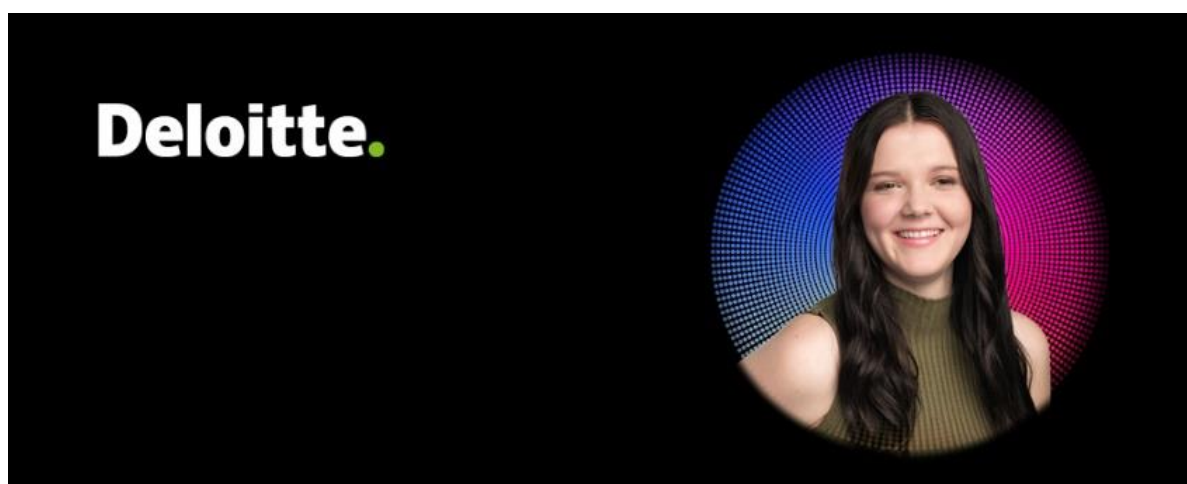

Upcoming Course Dates:- Derry Sat 22nd November 2025

Belfast Sun 23rd November 2025

**Full details available on website. More dates will be set in Jan & Feb 2026*

Deloitte Brightstart Apprenticeship Applications are Open!

Through Deloitte's BrightStart Apprenticeship, students can begin a professional career with a global business while bypassing the traditional university route. The BrightStart programme offers the chance to earn a salary while learning, gain real-world experience, and make a unique impact from day one.

We would recommend students apply promptly, as we close vacancies on a rolling basis.

How to apply: Please visit our Early Careers page, and filter programme to "BrightStart Higher Apprenticeship" location "Belfast". Students can view the opportunities we have available and apply to the role which best suits their interests.

Entry Requirements: 104 UCAS points.

Please note, we can only accept one application per recruitment year.

 Apply [HERE](#)

Audit & Assurance - Deloitte Ireland

Roles are also live for the Belfast Brightstart scheme with Deloitte Ireland. Interviews for these applications typically last 45 minutes and will be conducted in person at our Belfast office.

We aim to conduct interviews across November/December.

You can apply for these roles [HERE](#)

*** Please note students wishing to make an application to both Deloitte UK and Deloitte Ireland in the Belfast office can submit one application per firm.**

IMPORTANT!!! Ulster University Insight Events

Engineering Virtual Work Experience – Applications Now Open

Secondary school students are invited to take part in this online work experience. The STEPS Programme, Engineers Ireland together with Springpod have created this bespoke experience for secondary school students. Students can register anytime from 15th September 2025 to 18th January 2026 and complete the virtual work experience in their own time. This is entirely free and open to ALL students aged 13 and over on the island of Ireland. This online work experience will focus on various disciplines of engineering and features interviews with Irish engineers who speak about their careers and how they got interested in engineering. The experience will give an overview of engineering and then focus on mechanical, chemical, electrical and civil engineering disciplines.

NHS Virtual Work Experience

NHS Virtual Allied Healthcare Work Experience session - a valuable opportunity for your students to explore healthcare careers, gain real-world insights, and strengthen their university or apprenticeship applications.

Our upcoming session on Sunday 2nd November, from 8:30am to 5:00pm, will focus on Road Traffic Collision. We'll delve into the diverse roles within allied healthcare and take a closer look at patient care by following the journeys of two patients from incident through to treatment.

Register to the next live virtual Allied Healthcare Work Experience today:

<https://alliedhealthmentor.org/product/live-virtual-work-experience-programme/>

The NHS Allied Healthcare Work Experience is the largest programme for aspiring healthcare professionals, having successfully invited over 12,000 students to participate in its programme last academic year. Places are £10 a session to cover administrative and technological costs, or £50 for the full 6 months

LIMITED SPACES

QUB – Pathways Programme 2026 – Applications Have Opened

What is the Pathways Opportunity Programme?

The Pathways Opportunity Programme supports students in Year 13 who come from underrepresented backgrounds, especially first-generation university applicants, to progress to higher education.

The programme includes a number of structured events between January - September 2026 including a week-long summer school that promotes and supports progression to Queen's University. Students choose **one** of 13 Pathway subject areas when applying, and throughout the programme they learn about that subject, careers, and university life in general.

Why Apply?

By completing the Pathways Opportunity Programme, students may have the chance to:

- Receive a **reduced grade conditional offer** (where applicable).
- Receive a **guaranteed conditional offer** or a **guaranteed interview**.
- **£1000 bursary, transition support and ongoing support** while they are at Queen's.

When to apply?

Online applications open on **Monday 29th September 2025** and will close on **Tuesday 4th November 2025** at noon.

<https://www.qub.ac.uk/directorates/sgc/wpu/Post16Programmes/PathwayOpportunityProgramme/>

Pathway Opportunity Programme

Are you aged 16-19 and interested in studying at Queen's University Belfast?
Are you currently in the first year of your A-Level (or equivalent) course? If so, then the Pathway Opportunity Programme could be a great choice for you!

By participating in the Pathway Opportunity Programme, you will have the chance to:

- Receive a reduced grade conditional offer or a guaranteed interview (where applicable).
- Receive a £1000 Kilwaughter Minerals Bursary to help you with your studies at Queen's University Belfast.
- Meet like-minded students and get to know a range of Academics and staff.
- Attend a completely free Summer School that gives you the chance to study as a Queen's student.
- Improve and build a range of skills such as study skills, confidence and knowledge.
- Get support and help with applications and transitioning into University life.

Application Deadline 4th November.

Sign up via website: [University of Glasgow - Explore - Visit us - Undergraduate events - Meet us online - Information Sessions - Student-led Information Sessions](#)

Years 10-14 – Queen’s Business School Undergraduate Information Evening Wednesday 12 November 2025

Queen’s Business School is pleased to invite prospective students, parents and guardians to an information event designed for those considering an undergraduate degree with us. Choosing the right degree is an important decision and we understand that many applicants are eager to learn more about the academic, professional and career opportunities that are available. This event is tailored to students in Years 10–14 and will provide subject information talks from academics, information stands hosted by students and staff, an opportunity to chat with employers providing valuable insights into our programmes alongside guidance to help students plan their next steps.

QBS offers undergraduate degrees in:

- Accounting (leading to a Master's)
- Actuarial Science and Risk Management
- Business Management
- Economics
- Finance
- Financial Risk Management
- International Business with a Language

The event will be particularly useful for anyone applying for September 2026 or 2027 entry.

Event: Queen’s Business School Undergraduate Information Evening – Years 10-14

Date: Wednesday 12 November 2025

Time: 6pm-9pm

Where: Queen’s Business School Campus, 185 Stranmillis Road, Belfast

Who for: Parents, guardians and students in Year 10-14

Why attend: To find out more about degree courses and career prospects at Queen’s Business School.
