

## Enniskillen Royal Grammar School – CEIAG BULLETIN

Week Beginning Monday 16th March 2026

### Paid Summer Law Work Experience - Pinsent Mason – Applications Close Today

#### Summer Work Experience

##### Applications now open

Join our Legal Summer Work Experience programme, where you'll gain valuable experience in a leading commercial law firm on a 5-day paid work placement. With exposure to the commercial world, discover what law in practice is really like.

**What's involved?**

- A supervisor who will help you discover the skills you'll need to be a successful lawyer
- Work shadowing within our legal teams
- Attend skills building sessions from commercial awareness to debate
- Explore pathways into law and meet a variety of lawyers from across the firm
- CV & application tips and career advice

**Who can join?**

- Students aged 16 – 19 years old
- Students currently studying towards A-levels, Highers, or equivalent
- Those who have completed GCSEs, National 5s, or equivalent
- Regardless of your background or prior experience, this programme aims to develop your skills and boost your confidence while enriching your CV

**Discover more & apply**  
Deadline for applications: 16th March 2026, 12pm

[Apply >](#)

#### Ready to apply?

##### Get some application support!

**The recruitment process**

- 01. Registration Form**  
This helps us check you're eligible, understand your background and support you through the application.
- 02. Application Form**  
Tell us about your education and any work experience you have.
- 03. Shortlisting**  
If you show that you meet what we're looking for, we'll be in touch.
- 04. Outcome**  
We'll let you know the result within three months of the application deadline.
- 05. Onboarding**  
Once you accept your offer, our team will guide you through the next steps to get you ready to start.

**Top tips and advice**

Not sure what to expect? We've got some advice and tips to help you get started.

**Expect questions on:**

- Your interest in commercial law
- Your biggest achievements
- What makes you suitable for a career in the law sector

**Remember to:**

- Read questions and instructions carefully
- Use succinct formal writing
- Write detailed responses that represent your authentic self

*"This programme has helped me develop my networking and communication skills, essential as a young professional"*

### **Channel Talent Webinars with University of Glasgow Academics**

Academics from the Schools of Geographical & Earth Science and Computing Science will be delivering webinars in March which senior pupils may be interested in. The sessions may be of particular interest to students interested in Geography, Mathematics and Computing Science. They are designed both to support students' current studies and to give an insight into what they can expect from university level lectures.

Further details and registration are available at each of the links below.

**Tuesday 17 March, 0910-0955: Geography/Environmental Science: Coastal Dynamics & Climate Change – Exploring Risks to Both Low & High Energy Coastal Systems with Professor Larissa Naylor from University of Glasgow**

## **Future Medicines – Pharma & Biotech Careers (Student Event)**

**When:** 26 March 2026 (6 – 9 pm)

**Where:** Whitla Hall, Queen’s University Belfast

**Student Registration:** <https://www.qub.ac.uk/home/campaign/mhls/Events/pharmacy-insight-event-students/>

This interactive event introduces students to the exciting opportunities offered by the BSc Pharmaceutical Sciences and BSc Pharmaceutical Biotechnology degrees at Queen’s, alongside the wide range of careers available in the pharmaceutical and biotech industries.

What students will experience:

- Insightful introductions to both BSc programmes and their associated career pathways.
- A Research Spotlight, showcasing cutting-edge scientific work within the School and how students engage with real-world discovery.
- A Student Panel, with current undergraduates sharing first-hand experiences.
- Networking opportunities with academic staff, industry experts, and student support teams

## **LJMU | Free (inc. flights) Year 13 Summer University: Wednesday 8 to Friday 10 July 2026 - Applications closing soon!**

**Year 13 Summer University, taking place from Wednesday 8 – Friday 10 July**

**2026.** Students are urged to apply as soon as possible if they are interested in this year’s academic subjects: **Law, Criminal Justice, History, Politics, or International Relations.**

Summer University is **free of charge** and includes academic taster sessions, accommodation, meals and return flights from Belfast.

Additionally, students may be eligible for a reduced offer of up to 16 UCAS Points lower than the standard entry requirements, should they subsequently apply to LJMU.

Students can [visit our Summer University website](#) to find out more information and submit an application.
