XP Experiences in Tech - QUB

The School of Electronics, Electrical Engineering and Computer Science (EEECS) is offering 5 days of Work Experience to a cohort of 50 secondary students between the **8th – 12th June 2026**.

The 5 day programme will provide students with the opportunity to experience a wide range of activities, including robotics, programming, VR/AR, electronics, a hackathon, as well as learning about the different careers' options available to computing and electrical and electronic engineering students.

To be eligible, students must be:

- intending to take AS-Level or A-Level mathematics (Mathematics is essential for EEE subjects and desirable for Computing Subjects at Queen's)

- have an interest in either computer science (including software engineering, business information technology and computing information technology) and/or electrical and electronic engineering and computer engineering.)

Future Medicines – Pharma & Biotech Careers (Student Event)

When: 26 March 2026 (6 – 9 pm)

Where: Whitla Hall, Queen’s University Belfast

Student Registration: <https://www.qub.ac.uk/home/campaign/mhls/Events/pharmacy-insight-event-students/>

This interactive event introduces students to the exciting opportunities offered by the BSc Pharmaceutical Sciences and BSc Pharmaceutical Biotechnology degrees at Queen’s, alongside the wide range of careers available in the pharmaceutical and biotech industries.

What students will experience:

- Insightful introductions to both BSc programmes and their associated career pathways.
- A Research Spotlight, showcasing cutting-edge scientific work within the School and how students engage with real-world discovery.
- A Student Panel, with current undergraduates sharing first-hand experiences.
- Networking opportunities with academic staff, industry experts, and student support teams

LJMU | Free (inc. flights) Year 13 Summer University: Wednesday 8 to Friday 10 July 2026 - Applications closing soon!

Year 13 Summer University, taking place from Wednesday 8 – Friday 10 July

2026. Students are urged to apply as soon as possible if they are interested in this year’s academic subjects: **Law, Criminal Justice, History, Politics, or International Relations.**

Summer University is **free of charge** and includes academic taster sessions, accommodation, meals and return flights from Belfast.

Additionally, students may be eligible for a reduced offer of up to 16 UCAS Points lower than the standard entry requirements, should they subsequently apply to LJMU.

Students can [visit our Summer University website](#) to find out more information and submit an application.
